Couples should also understand that in choosing a Catholic wedding at St Thomas of Canterbury, Lewisham they are doing more than merely hiring a venue. A wedding celebrated at our Church must be a Catholic wedding, and therefore must be celebrated in strict accordance with the rites of the Catholic Church. All aspects of the celebration must be suited to the sacredness of the place. Below we detail for you what this means in practice and I encourage you to read the following information very carefully.

My staff and I are here to help, and I wish you a very happy wedding day!

## Making a booking

Only couples free to marry in the Catholic Church may have a confirmed booking to wed at St Thomas of Canterbury Catholic Church, Lewisham. If either the bride or groom has been married previously, please speak with Fr Sam Lynch before proceeding.

In order to book our Church for your wedding you must first have a wedding celebrant. This means a Catholic Priest or Deacon who has met with you and agreed to prepare you for marriage and to celebrate your wedding (see 'finding a celebrant' below). It is expected that couples will book at least 6 months in advance of their wedding in normal circumstances.

To facilitate your wedding, we will agree to 'save the date' for you for up to four weeks. When we agree to 'save the date' for you, this does not constitute a firm booking. Rather, this means we are giving you our undertaking that you will have 4 weeks to confirm your booking. During that time, if another couple asks for your preferred date and time, we will advise you of that and check that you are still seeking to be married at that time on that date. A couple may only 'save the date' once.

### ***You will have a firm booking only when all of the following have occurred:***

- 1) we have received a completed booking form from you, and you have had an initial meeting with Father Sam to understand how weddings at St Thomas are arranged
- 2) we have received notification in writing from your celebrant that he has agreed to celebrate your wedding at the date, time and place specified
- 3) we have received a completed and signed booking contract (sent to you once you have found a Priest)
- 4) we have received your donation of \$800

It is the responsibility of the couple making the booking to ensure that they have satisfied all relevant conditions for Catholic marriage.

## Times and dates for weddings

Weddings can take place at St Thomas of Canterbury on Saturday mornings at 11.00am and Saturday afternoons at 2.30pm. Our church is a busy one with both morning and evening masses on both Saturday and Sunday as well as baptisms and other activities and is a popular wedding venue. Couples should therefore carefully note the rules and regulations around times for weddings.

Please be advised that as of 1 July 2020 we no longer take bookings for weddings on Sunday.

## Donations & Costs associated with Weddings at St Thomas

Couples are asked to make a **donation of \$800** to book our church for their wedding. This donation assists in the upkeep of the church.

It is also normal to give the Priest celebrating your wedding an offering for the work he has done in preparing you and celebrating your wedding. Bear in mind the typical cost of a civil celebrant when considering a suitable offering for the Priest. You should pay the Priest directly.

The costs associated with the arrangement of Sacred Music for your ceremony will be handled independently with musicians. These costs typically include the cost of the organist and cantor. Please note there is an additional charge for a choir or additional musicians if you choose to have them. Please note the fees for Sacred Music should be paid directly to our musicians.

**Please make your donations for the use of the Church to the following account:**

Please make sure you include your full name as the reference.

**Finding a Celebrant**

Parish priests are obliged to celebrate the weddings of their own parishioners in their own parish church. No parish priest is obliged to celebrate the weddings of non-parishioners, nor are they obliged to travel to another church to celebrate a wedding. Fr Sam Lynch is unable to agree to celebrate all the weddings at St Thomas of Canterbury, Lewisham. You should, in the first instance, seek to find your own wedding celebrant. It is recommended that you begin by asking your parish priest.

**Flowers, decorations, candles and confetti**

With the permission of the Parish Administrator, you are able to place flowers in the church for your wedding, but we recommend you visit the Church to view the interior if you are not a Parishioner. St Thomas' sanctuary is particularly ornate, and not all flowers and colours suit the Church. If you choose to provide floral arrangements, they must be removed from the church immediately after the wedding. If you intend to bring floral arrangements, you must notify the Parish office when returning your contract please.

You may also place simple ribbon decorations at the ends of pews. These decorations must be designed to tie around the ends of the pews and must be removed immediately after the wedding. You may not affix any form of decoration anywhere in the church as this will cause damage to the Church fixtures.

You may not throw petals, rice, or confetti or release balloons or doves inside or outside the church. These are slip hazards, leave marks and a mess to clean up afterwards. Candles used in the service will be provided by the Church. You may not add elements to the marriage ceremony which are not in the Catholic marriage ritual (eg: a candle ceremony).

**Music**

You must contact our musician, Mr Stephen Smith on 0423 099 131 or [music@thomaspatrick.org.au](mailto:music@thomaspatrick.org.au) to arrange music for your wedding and discuss any selections. You are not permitted to bring your own musicians to perform at St Thomas. Music Booking Forms should be finalized no later than 3 months prior to your wedding date.

Love songs, movie scores, and so forth are not prayer and therefore are not suitable for use in a Catholic wedding and may not be performed at St Thomas of Canterbury, Lewisham. Recorded music may not be used in a wedding service. The Church is a large, resonant space and the Church organ is designed to fill this space adequately and the Parish musicians are professional musicians who are experts in providing appropriate liturgical music.

When you have a confirmed booking for the church you should contact Stephen directly to discuss the music for your wedding. St Thomas' is a popular Church for weddings so **please contact Stephen at least 4 – 5 months in advance** to ensure there is ample time to select and rehearse your music.

Payment for music at your wedding should be made directly to our musicians.

### **Video and photographs**

Photographers and videographers should be discrete at all times. At no time should any photographer enter the area bounded by the altar rails (the sanctuary). No extra lighting, or any sort of fixture may be installed in the church. Photographers and videographers should obey the celebrant's instructions immediately if given. The service is not to be unduly delayed for the purpose of taking photographs.

Under no circumstances can your Video team use drones on the parish site. They constitute a serious risk to public safety and the safety of your guests. If they ignore this instruction, the Video company will be banned from the church and your ceremony will not begin until they have left the parish site.

### **Smoking in the grounds**

Please note that the church and the grounds around St Thomas of Canterbury are a smoke free zone. Please do not smoke yourself and advise your guests not to smoke in the church grounds.

### **Cars and parking**

Wedding vehicle drop off/pick up for the church is available outside the main entrance. As it is a public street, we suggest working with your car hire/driver to arrange for parking places to be held in advance of the ceremony. There is street parking around the church for guests and the basketball court in the adjacent school (at the very end of Thomas St, beside the Church) is opened for parking on weekends. Extended or stretch vehicles may have difficulty turning at the end of the cul-de-sac in Thomas Street. To avoid the risk of accidents we recommend not booking stretch vehicles and especially stretch Hummers.

### **Wedding Rehearsals**

Due to the nature of the church timetable, wedding rehearsals are typically scheduled for Tuesday and Wednesday afternoons between 3.00pm and 6.30pm pending calendar availability. We are only able to offer evening rehearsals on a Thursday evening between 5pm and 7.30pm.

To book a time for a wedding rehearsal, please contact the Parish office on (02) 9798 6016.

### **Punctuality**

Your booking for the Church is for half an hour before the start time and 90 minutes after start time if a nuptial mass and 60 minutes after start time if a service. If you are seriously late, it is possible that your wedding might not proceed. Please plan to start on time and ensure that bridal cars have plenty of time to negotiate the local traffic.
